

MUHAMMAD SHAYAN

Cell No: 033222327180 | Gmail: shayanchippa17@gmail.com | Full-Stack Web Developer | Karachi, Pakistan

OBJECTIVE

Passionate **Full-Stack Developer** with strong expertise in building responsive and user-friendly websites using **HTML, CSS, JavaScript, jQuery** and **Bootstrap**. Alongside front-end development, I am also skilled in back-end technologies including **PHP, MySQL, XML, Laravel** and **WordPress**, enabling me to develop complete and dynamic web applications.

I am seeking an opportunity where I can apply both my creative design skills and technical development knowledge to build engaging, efficient, and scalable web solutions. I am committed to continuous learning and staying updated with the latest trends in web design and development to deliver modern, accessible, and high-performance digital experiences while growing in my professional career.

EDUCATION

[The school of Scientist]

Matriculation (Science Group)

Board of Secondary Education, Karachi.

[Secured **71%** in matriculation with computer Science

Actively participated in Science and IT exhibitions.]

[Aptech learning Institute]

[2025] – [Continue]

A 3 - Year diploma in ACCP AI (Artificial Intelligence).
